FILE: Security-4

MEMORANDUM FOR: Record

On 10 December 1981, D/Security spoke to Bob Gates (who, it is my understanding, spoke to the DDO) re the Eyes Only memo to the DCI from Alexander Haig and had the action rescinded (ER 81-9214 and DDA 81-2572). The action on the above memo was replaced by a memo to D/OS and C/EAS/OPP from the DCI (dtd 11 Dec 81) re the Taubman story in the Times. There will not be a written response to the memo from Haig. ES [] was advised of the above on 16 Dec 81. (See DDA 81-2551/2 for reply to the DCI memo.)
